

GOOD NEWS!

We are finally hosting a trial that's not in the middle of nowhere, so I bought Agility Gate for the weekend to use for our run order instead of flipping numbers. Woo hoo! This means you can all wait in the warmth of your vehicles AND we don't have to put a volunteer outside to flip numbers.

If you have never used Agility Gate before, you will need to add the app to your phone or tablet.

Once you open the app, look for your trial. Saturday is Do Over Dog Training NW2. Sunday is Do Over Dog Training NW1 or Do Over Dog Training ORT.

For this first trial, we will check you in to avoid any confusion. Make sure you see a volunteer when you arrive to let us know you're there.

You will see Run Order and Messages at the bottom of the screen. Be sure to check messages – that's how we will communicate with you throughout the trial.

We will rename Search1, Search 2, etc. with the name of the elements once we know what we're running when.

Lastly, please remember to sign the waiver before arriving at the trial. We will not have paper waivers available.

<https://form.jotform.com/242563495408160>

And as always, please do not arrive prior to the time listed on the final details email I sent out. We won't be able to direct you where to park or allow you to use restrooms until after your check-in time. The CO will be setting hides and running Dog in White and our volunteers will be getting briefed with their duties for the day. It just adds too much confusion when competitors arrive early. There are plenty of coffee shops in Batavia – if you're running early, grab a cup of coffee and chill before the trial starts 😊
