

Dear NACSW™ Trial/ORT Participant

We are looking forward to seeing you and your dog at the NACSW™ NW2/NW1 trials and ORT hosted by Do Over Dog Training in Batavia, NY on Saturday and Sunday, December 7-8, 2024. Following are details regarding location, check in times, etc. Please email info@dooverdogtraining.com with any additional questions. If you are volunteering for trials you are not competing in, information will be emailed soon.

See schedule below for arrival times for all trials.

Please sign the electronic waiver for this event by clicking on the link below. If you are bringing a spectator, please forward the link for them to sign. If you are registered for the ORT, you already signed a waiver when registering. We will not have paper waivers available, please sign in advance.

Vet Tech Club Fundraisers!

The only way we can host trials and events at Genesee Community College is because of the support of the Vet Tech Club! If you would like to help the club out they will be offering lunches for sale on Saturday 12/7. Lunches will consist of a sandwich, bag of chips, fruit and a beverage. The cost is \$10. If you would like to order a lunch, please use this link: <https://forms.office.com/r/pPwHsktbXQ>

****Lunch orders will be taken up until 12/4 11:59 pm****

The Vet Tech Club will also be selling paw print ornaments and collar bows on Saturday.

WALK THROUGH & DEBRIEF INFORMATION

There will not be any in person walk throughs at any trials. For NW1/2/3, Elite & Summit trials the Certifying Official will post brief videos of the search areas prior to the start of the trial and end of day debrief to the NACSW Virtual Walk Through site walkthrough.nacsw.net
Element Specialty and Elite Select trials may have brief virtual walk through videos for some searches if the Certifying Official determines that it will help clarify the search area and/or improve the flow of the trial day. The Certifying Official will post end of day debrief videos to the NACSW Virtual Walk Through site walkthrough.nacsw.net
There are no walk throughs for the ORT.
In the event that there is no cell service or technical issues, the CO will describe the search areas at the morning briefing.

SCHEDULE

Do not arrive before the times listed below. We will not have volunteers available to direct you. Bathrooms will not be open for you or your dog's use. The CO will be setting hides and running dog in white and early competitors may interfere with this process.

We recommend that you bring a pencil and notepad with you for the briefing to note info given by CO. Questions will be answered during the briefing.

NOTE: We are usually pretty good at scheduling, but if there are any delays with the NW1 in the morning, that may cause a late start for the ORT.

LOCATION DETAILS

Genesee Community College, 1 College Road, Batavia, NY 14020

It is not appropriate to visit the trial location prior to the trial date, nor should training take place on trial grounds once an event is approved/announced. Our locations are real life search environments where people work, go to school, etc. Pre-trial visits risk the host losing the opportunity to use the location again in the future.

ADA SITE SPECIFIC CONDITIONS

This site is a college. The parking lot, pathways and search areas may require you to navigate pavement, uneven gravel and/or grassy areas. There may be long walks to the search areas that may involve stairs and moderate elevation changes. Steps may be required to enter and leave the search areas.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

Volunteering

Competitors can volunteer for any trial that they are not running in during a trial weekend. If you are available and not running in the trial level, you are welcome to volunteer. If you know of someone who would like to volunteer, please go to <https://form.jotform.com/242457221785056> to sign up. You can also contact Lori Timberlake at info@dooverdogtraining.com with questions. Your time and effort are GREATLY appreciated!

PLEASE NOTE:

Dogs must be kept on a 6' or shorter leash while in the general area of the trial grounds including the potty areas and while walking to and from search areas (Flexi leashes are not permitted except during searches). To ensure the safety of all dogs, please keep a minimum of 8 feet between dogs unless expressed consent is given. If your dog is dog-reactive and you wish to use a red bandana to let others know your dog needs extra space from other dogs, please plan to bring one for your dog.

Competitors should expect to keep their dogs confined when not competing. NACSW™ trials typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths. In the event of extreme weather conditions, participants should be prepared to keep their dog adequately warm or cool in their vehicles or in crates adjacent to their vehicles. In the case of high air temperatures, dogs must be crated with adequate shade, ventilation and access to water. Dogs may not be loose in vehicles with open windows or tied to a vehicle or other stationary object.

Please see the NACSW™ Rule Book, section NACSW™ ORT & TRIAL REGULATIONS, Safety & Location Regulations for further explanation.
